***Jacobson & Breen Wealth Management Annual Golf Tournament  
Continues to Raise Awareness and Support for two  
Longtime Local Charities***

---

**PETALUMA, CA, July 30, 2014** - - On Monday, June 16, Petaluma's Jacobson & Breen Wealth Management, LLC invited family, friends and business associates to spend the day at the Petaluma Golf & Country Club raising over \$6,000 for two long-time local children's non-profits - Petaluma Educational Foundation (PEF) and the Boys & Girls Clubs of Marin & Southern Sonoma Counties (BGCMSSC).

Over 50 golfers, wanting to make a difference in the lives of Petaluma's youth, joined together for the 5th Annual Jacobson & Breen Wealth Management Father's Day Golf Tournament to support all local schools and clubhouses. Golfers enjoyed a day on the historical Petaluma golf course bringing attention and support to these two well-respected non-profits. Funds raised will support PEF's mission of Funding the Future for Petaluma schools through the foundation's annual PEF Impact Grant Program, along with BGCMSSC's Summer Camp Discovery programs in Petaluma. To date, Jacobson & Breen Wealth Management has raised over \$24,000.00 for these two organizations through this community event.

"Partnering with companies like Jacobson & Breen enables us to fund and inspire a future of endless possibilities for local students," says PEF's Maureen Highland. "We

continue to be amazed and honored by the support of the businesses in Petaluma and their dedication to making our programs the best they can be - making Petaluma's future the best it can be!"

"I would like to extend our sincere gratitude and appreciation to Jacobson and Breen Wealth Management for all their support" shares David Solo of BGCMSSC. This special gift will be used to assist Boys & Girls Clubs of Marin and Southern Sonoma Counties in continuing to provide its Summer Day Camp Program for over 300 youth per day at the Lucchesi Park Clubhouse in Petaluma." Jacobson and Breen is a valuable community partner that is making a significant impact on the work we do to impact children's lives!"
